## HELLO JAGUAR FAMILY

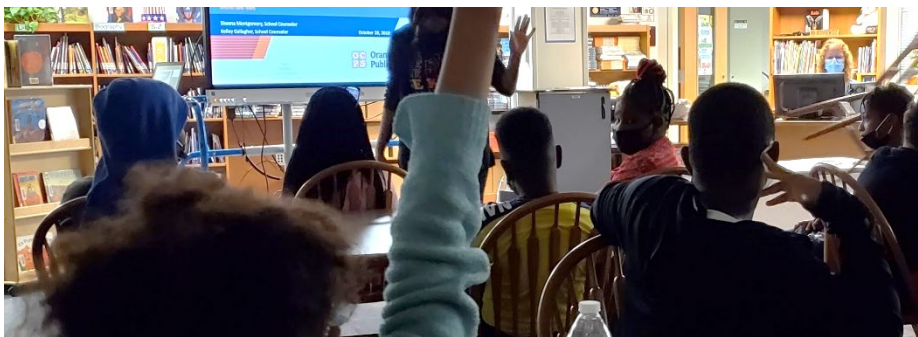

Hello Jaguar Families! We're grateful for your support and the trust that you place in our school to educate your children. We want to encourage you to continue monitoring your child's progress through the Class Dojo app and to also follow us on social media for exclusive content. Together we can collaborate in your child's education and watch them succeed.

In addition, if your child is attending tutoring after school on Tuesday and Thursday, please contact the school to inform us of their absence. Students must remain in tutoring unless the parent notifies the teacher via Class Dojo or by contacting the main office to notify us of their absence. You can also contact [joseph.guarino@ocps.net](mailto:joseph.guarino@ocps.net) via email to notify any absence from afternoon tutoring.

## DEAR PARENTS

Children, at a very young age, should start to understand the word "responsibility." Children "hear" what we do a lot louder than they "hear" what we say. They learn best how to be responsible from their surroundings and experiences. This is the reason accountability is so important. Children need clear rules, responsibilities, and consequences. Opportunities should be created in order for children to practice being responsible. Encouragement and praise motivate children to continue being responsible and to perform even better the next time. Children who have grown up knowing the importance of responsibility and have been held accountable will be more responsible and successful adults.

*Thank you for your support!*
